

PICKETS

MATRIX PICKETS

Portable Picket Fencing that lasts!

Matrix Portable Picket Fence panels and posts are a long lasting, low maintenance alternative to timber and hollow PVC picket fencing.

They are ideal for event hire, cafes and restaurants, schools, sporting clubs, etc.

They are made in Australia and are covered by a 15 year structural warranty.

- More economical than alternatives over time
- Impervious to rot, mildew or insects
- Unaffected by salt water and most chemicals
- Quick to erect and dismantle
- Light weight for easy handling
- Safe, strong and durable
- Do not contain toxic chemicals
- Pickets are one piece – no caps to lose
- Pickets are made from UV-stabilised HDPE resin for long outdoor life
- Posts & rails are galvanised and powder coated
- Posts with hooks allow the panels to be set up in any direction

Available Colours

-  Off White
-  Smooth Cream
-  Caulfield Green
-  Slate Grey

Note: The colour chart above may not match the actual colour and should be used only as a guide. Special colours available – MOQs apply.
